

## **Prayer**

In the Divine Will of the Triune God, in communion and union with all the Holy Souls in the past, present, and souls yet to be created, and with all the angels and the Saints, I offer up my whole being in prayerful harmony to your grand and perfect plan! Let me only know your will and with docility and love and courage assist me to act out fully all that you desire of me and to always do all that is pleasing in your eyes!

I seek your grace and wisdom, Lord, and the virtues to accomplish your Divine Will!

### **Prayer before Mass in the Divine Will**

I now immerse myself in You, dear Jesus to pray this Mass in You, with You & through You, in the Divine Will of the Eternal Father, Son & Holy Spirit. Please transform me into Yourself, so that I may live the mystery of Your life, death & resurrection with You for the sake of Your Bride, the Church, for every man, woman & child from Adam to the last man. Amen. Fiat!

### **Prayer before receiving Communion.**

Lord, remove my self-will & me Thine in return; that You may receive Yourself in me & receive perfect & infinite consolation. Amen.
